STRENGTHENS IMMUNE SYSTEM TO HELP FIGHT OFF CORONA VIRUS AS WELL

This cd combines my musical studies with my best shot at putting
together a pacing or slowed down timing I was exposed to when
trained by Milton H. Erickson, M.D.- The Father of Modern
Medical Hypnosis.

THE COMBINATION OF BEAUTIFUL MUSIC WITH A SLOWER PACING HELPS
PEOPLE DEVELOP AN INTERNAL CLOCK THAT IS MUCH SLOWER AND
THEREFORE "RELATIVELY FREE OF DISEASE!"

Sincerely,

The Reverend Dr. Len Bergantino

This cd has a healing effect and has the potential to positively affect and affect and to somewhat ameliorate medical symptomatology in many vital areas as an assistance to medical treatment where no such amelioration of medical symptomatology currently existed

For this to occur the cd has to be played "repetitively and well" each time suffering outweighs well-being!

Germans – Jews – Holocausts and the Collective Unconscious

This book is comprised of methods and stories that are intended to evoke a one session existential shift in the reader's grasp of the entire situation in a way that supplants the word "appropriate" with the words "finer and finer discriminations of pure being" and the addition of the words "creative aggression" as an authentic working tool!

For example I have received a letter from Queen Elizabeth, Pope Francis transcribed into English by Paulo Borgia, Sec. of State of the Vatican and member of the Borgia Family of the 1500's ABOUT 20 letters and a Christmas card from President Donald Trump, 3 letters from President Obama, a few from Senator Rand Paul, one from Senator John McCain, and 3 from Congressman Henry Waxman.

Once The Powers That Be Decide you are Reliable, Informative and Spot On, YOU OFTEN SEE THE CHANGES YOU RECOMMEND ON THE NEWS THE FOLLOWING DAY.

Excerpt taken from the conclusion section of the book:

This book has nothing to do with the politics of the word "appropriate" and how those that read it may try to spin it. This book has everything to do with the primitive nature of man and what is actually required to educate peoples of all countries from all walks of life, no matter what caste system they knowingly or unknowingly are stuck in! Along the way to my training family therapists at the international level, Dr. Carl Whitaker, M.D., my teacher and mentor from 1979- 1994, in his last verbal communication to me said, "The work is easy! It's the justification that is hard!" So I will

merely present you the facts as they occurred. I will provide no justification for any of it, other than to tell you that is what really occurred.

"I DID ALL THIS SPEAKING AND WRITING ORDINARY CONVERSATIONAL ENGLISH!!!"

This book focuses upon the initial psycho-political assessments of the Democratic candidates who were among the sixteen original characters that threw their “hats in the ring!” so to speak! Further, it shows those interested in the current political climate and all other historical political climates HOW TO DIFFERENTIATE REAL NEWS FROM FAKE NEWS THROUGH THE DEVELOPMENT AND UTILIZATION OF HIGHER SENSE PERCEPTION.

THE BOOK FURTHER INVADES SEVERAL POLITICAL AND RELIGIOUS TERRITORIES IN DEMONSTRATING “HOW TO ASSESS AND DO THE RIGHT THING” AS A WAY OF LIFE, THEREBY AS CITIZENS HELPING TO CREATE AN UPWARD AS OPPOSED TO A DOWNWARD SPIRALING SOCIETY.

IN ADDITION TO ASSESSING AND MAKING DIRECT RECOMMENDATIONS TO THE POPE, AS WELL AS POLITICIANS DIRECT RECOMMENDATIONS ARE MADE SUCH AS THE DOING AWAY WITH LICENSING BOARDS IN THE FIELDS OF PSYCHOANALYSIS, CLINICAL PSYCHOLOGY, PSYCHOTHERAPY, MARITAL AND FAMILY THERAPY AND CLINICAL SOCIAL WORK SO AS NOT TO PROVIDE:

This book is intended to help Black people – particularly those in administrative positions at the top for treating White people at the bottom of the totem pole while doing in the best and brightest of their own Black children and FALSELY BLAMING IT ON WHITES so as to provide a psychotic protection game of Blacks that both do in their own youth and never roll over on any Black brother or sister that reminds them of 200 years of slavery while at the same time PRETENDING TO BE FAIR BY USING "GUILT" AS A MANIPULATION TO JUSTIFY KEEPING WHITE BOY AT THE BOTTOM OF THE TOTEM POLE! The solution is simple but not easy! "Black Boy has to stop blaming and laying guilt trips on Modern White Boy for his forefathers' sins! This needs IMMEDIATE CORRECTION IF WHITE BOY IS NOT TO BUILD SUCH PRIMITIVE SUBCONSCIOUS RESENTMENT THAT YOU GET ONE NEWSLINE AFTER THE OTHER THAT "WHITE BOY" COP SHOOT'S BLACK TWELVE YEAR OLD KID IN THE BACK. ***WITHOUT THIS BOOK ALL THE PEACEFUL PROTESTS AND CRIMINALLY INFECTED RACE RIOTS AND LOOTING WILL MAKE NON-SIGNIFICANT DIFFERENCES!

This book provides an interim step for both Blacks and Whites to examine their own underlying racial thoughts and feelings in a manner that brings the subconscious and the unconscious more to the surface in a way that helps the reader find ongoing solutions to deal with the primitive remnants of crimes committed through two hundred years of slavery! For example, I was getting done in by a waiter in Koln, Germany of Italian descent in 1990 in an Italian restaurant and the owner said the waiter (30 years old) hated Americans because General Patton killed all his living relatives when coming through Italy in 1944! The fact these were family members who he never met personally made no difference at all. To this waiter THE PAST IS THE PRESENT IS THE FUTURE AND THEY ARE ALL NOW!

The fact these were family members who he never met personally made no difference at all. To this waiter THE PAST IS THE PRESENT IS THE FUTURE AND THEY ARE ALL NOW!

I have reason to believe that the sum total of characteristics that make up my personality and the variety of occupations, athletics and musical endeavors in which I have engaged provide me with some unique primitive viewpoints regarding racial relations between Blacks and Whites that are and will be worthy of consideration in RACE RELATIONS FOR CENTURIES TO COME.

What makes these comments valuable is the candor with which I report them at the deepest primitive levels, no matter whom they offend, including myself, my parents, my neighbors and in particular not only the Northeast section of the United States but also the West Coast, primarily Los Angeles.

IN OTHER WORDS, IF YOU ARE BORN IN THE UNITED STATES, YOU ARE A RACIST AND IF YOU SAY YOU ARE NOT, YOU ARE A RACIST AND DO NOT KNOW YOU ARE A RACIST! Just as I studied macro-economics in college as opposed to micro-economics, IF ONE EXAMINES THE MINUTIA OF OUR EXPERIENCES IN THE ORDER IN WHICH THEY OCCURRED, WE ARE ALL RACISTS IN AMERICA, TO SOME DEGREE OR OTHER AND WOULD BE BETTER OFF PLANNING OUR COURSE OF ACTION BASED ON WHAT ACTUALLY EXISTS AS OPPOSED TO THE NONSENSE WE CLAIM EXISTS. THAT IS WHY WHEN I HEAR A POLITICIAN SAY THEY ARE NOT A RACIST I TURN THE CHANNEL IMMEDIATELY!

I had the good fortune to speak with Carl Erskine who pitched the most dominant game I ever saw pitched when he struck out 14 New York Yankees (including Mickey Mantle 4 times 1953 World Series) and Carl Erskine was most proud of having been Jackie Robinson's teammate when Jackie broke the color barrier. That is "good faith" no matter how you were born or raised!

The Denial of Reverse Racism in America

Do you think that some slug who looks very professional who "whispers" an occasional interpretation to you five times a week for 7 years can make one bit of difference in your life or does such a psychotoxic slug called a psychoanalyst merely stick you in an emotional toilet bowl for seven years having the cumulative result of turning you into a hopeless bastard who will never turn the tragic corner in his or her life?

Can your analyst analyze an ARCHAIC LIQUID SYMBIOTIC OR AN OSMOTIC TRANSFERENCE, or can they even recognize this phenomena in order to analyze it? If the psychoanalyst cannot analyze these transferences they can't do an analysis!

I used to get "good faith" patients who had the balls to work on the cutting edge at the same time I did because they had had combinations of twenty years of two seven year analyses plus several briefer psychotheraphies, only to be as crazy as the day they walked in! (-\$200,000.00)

As Dr. Donald Rinsley, M.D., fellow-American College of Psychoanalysts wrote about me, my work has both a healing effect and affect. Patients used to pay me six months in advance to hold the time open because I was

irreplaceable; I was the only one who could analyze the psychotic core of the personality and I was the only who could actually do what Dr. Wilfred R. Bion, MRCS (Medical Royal College of Surgeons) wrote about analyzing the psychotic core of the personality/

As I am seventy-six years old, I have written five books that must be read and digested in their entirety. As these books are the thing-in-itself they will transform the reader into the kinds of analyst, patient and psychotherapist who can make a difference in helping people turn the tragic corner in their lives! In other words, these five books are analysis!

These books were written to be around for a few hundred years and were directly guided by the Almighty!

The Greatest Basketball Player I Ever Saw

PRESS RELEASE FOR "THE GREATEST BASKETBALL PLAYER I EVER SAW"

To notice greatness and not deny greatness in others you have to notice details that ordinary people often claim do not exist. As ordinary people would much rather blame the victim rather than do their own personal work of self-development. They often deny greatness in others to protect themselves from looking at their own shortcomings often through "hatred and deceptive manipulation (malevolent omnipotence!) Such was the case with Billy Finn, who were he not surrounded by assholes would have averaged fifty two points a game instead of merely holding the state record of fifty two points in one game!

Greatness Kobe Bryant, Elgin Baylor, Larry Bird, Magic Johnson, Bill Russell, LeBron James are all great and have an element of greatness that I have never seen surpassed in my 77 years. Kobe Bryant and LeBron James came into the national basketball association or NBA as it is called right out of high school.

***When Billy Finn played there was no such option! Bob Cousy, famed guard told him he had nothing to teach him in the seventh grade!

*** "BILLY FINN WAS TO BASKETBALL WHAT WILLIE MAYS WAS TO BASEBALL - THE MOST EXCITING BALLPLAYER THAT EVER LIVED DESPITE GREATNESS IN OTHERS." For example, Ted Williams was the greatest hitter I ever saw. I saw him take batting practice. He hit consecutive line drives so hard they nearly bounced back to 2nd base. This book lays out the details of what made Billy Finn the greatest basketball player who ever lived!

DECLARATION OF DR. LEN BERGANTINO

I, DR. LEN BERGANTINO, DECLARE:

The picture of Billy Finn used in this book was given to me in 1961 by Billy Finn, himself.

The foregoing is true and correct and I would and could testify as such in a court of law if called upon to do so.

This declaration was written in Los Angeles, California on March 5, 2020.

"When thinking of all the therapist I have ever trained or seen (including Fritz Perls, M.D., Ph.D.) Bergantino! Him I think about! Him I consider! He is a man of depth! He is a man of substance!"

Dr. Donald Kinsley, M.D., (particularly helpful for The Art of Psychotherapy and the Liberation of the Therapist) wrote, "A unique feature of Dr. Bergantino's presentation -offering FASCINATING AND INSTRUCTIVE INSIGHTS INTO THE THERAPEUTIC LABORS OF ADMITTEDLY GIFTED TREATERS."

Dr. Carl Whitaker, M.D. wrote "The approach to his own craziness, the freedom from the culture bind, and the discipline of self each emerged as obtainable goals of that professional parent we call the psychotherapist."

Psychiatrist Harry Blicharski wrote "I am happy to recommend Len Bergantino as an excellent workshop leader, trainer and psychotherapist...We will be inviting Len Bergantino to return to AUSTRALIA AND I RECOMMEND HIS WORK, BOTH CLINICAL AND TEACHING, IN ANY SITUATION."

Betty Erickson, wife of Milton Erickson, M.D. dictated, "The mutual respect that Dr. Erickson and Dr. Bergantino held for each other was reflected in the friendship that continued until Dr. Erickson's death..., and has continued with Dr. Erickson's widow, Elizabeth Erickson, now 92 years old."

Yaro Starak, Gestalt Therapy trainer and Director of International Gestalt Therapy Training Institute in Brisbane, Australia said of Dr. Bergantino and the workshops he gave in Australia, "Dr. Bergantino has a mental precision that electrified the Australian therapeutic community and had lasting therapeutic impact."

Dr. Wilfred R. Bion, MRCS (Medical Royal College of Surgeons,) the great British psychoanalyst wrote to Dr. Bergantino, "Your work is evocative and stimulating."

Dr. Milton H. Erickson, M.D. -the Father of Modern Medical Hypnosis told Dr. Bergantino "I am just an old man who tells stories. It's your unconscious mind that has the pinpoint accuracy." "I respect your dedication to the work." And so Reverse Analysis was born along with a working knowledge of The Existential Shift.

Dr. Donald Kinsley, M.D., Fellow of The American College of Psychoanalysts wrote of Dr. Bergantino and his work "There is no doubt that some people possess a healing capacity and that others do not"; "I knew at once of your outsiderism...as well as your talent."

Dr. Carl Whitaker, M.D. - the foremost family therapist at the international level wrote of Dr. Bergantino, and his work, "He is a professional reporter of international change models in the family, therapy set and even intrapsychic change process." Reading his work "is an active experience in the use of self in the field of psychotherapy, and as such, it both expands and enriches the community standards of practice of professional psychotherapists."

Dr. James Grotstein, M.D., Training and Supervising Analyst wrote of me, "I finally had the pleasure of viewing your tape. I found it very impressive. It helped me to understand better where you are coming from and to be able to observe first hand your intuitive way of approaching people. Your technique reminded me of an elegant sophistication of Gestalt along with Erickson and Bion."

Dr. Martin Grotjahn, M.D., Training and Supervising Analyst wrote "Dr. Bergantino is obviously a gifted therapist..Most cases as reported in the literature describe the patient's associations and productions while the therapist remains hidden in the mystery of darkness unrevealed. Dr. B is an exception: the great advantage of his work is the openness and frankness with which the author reveals his experiences when treating patients or when accepting himself as a patient of another therapist."

Dr. James S. Simkin, Ph.D., -Diplomate-American Board of Professional Psychology said of Dr. Bergantino.

WHEN I first started to build my private practice in Beverly Hills, California. "I think psychoanalysts, psychiatrists and clinical psychologists have a hard time understanding each other. Political Psychology Invasions

Using the principles of "authenticity, congruence and empathic understanding along with the principles of CREATIVE AGGRESSION has reached and influenced not only those at state and Local Government, but both national and International levels at the highest levels.

For example I have received a letter from Queen Elizabeth, Pope Francis transcribed into English by Paulo Borgia, Sec. of State of the Vatican and member of the Borgia Family of the 1500's ABOUT 20 letters and a Christmas card from President Donald Trump, 3 letters from President Obama, a few from Senator Rand Paul, one from Senator John McCain, and 3 from Congressman Henry Waxman.

Once The Powers That Be Decide you are Reliable, Informative and Spot On, YOU OFTEN SEE THE CHANGES YOU RECOMMEND ON THE NEWS THE FOLLOWING DAY.

Excerpt taken from the conclusion section of the book:

This book has nothing to do with the politics of the word "appropriate" and how those that read it may try to spin it. This book has everything to do with the primitive nature of man and what is actually required to educate peoples of all countries from all walks of life, no matter what caste system they knowingly or unknowingly are stuck in! Along the way to my training family therapists at the international level, Dr. Carl Whitaker, M.D., my teacher and mentor from 1979- 1994, in his last verbal communication to me said, "The work is easy! It's the justification that is hard!" So I will

merely present you the facts as they occurred. I will provide no justification for any of it, other than to tell you that is what really occurred.

"I DID ALL THIS SPEAKING AND WRITING ORDINARY CONVERSATIONAL ENGLISH!!!"

This book focuses upon the initial psycho-political assessments of the Democratic candidates who were among the sixteen original characters that threw their “hats in the ring!” so to speak! Further, it shows those interested in the current political climate and all other historical political climates HOW TO DIFFERENTIATE REAL NEWS FROM FAKE NEWS THROUGH THE DEVELOPMENT AND UTILIZATION OF HIGHER SENSE PERCEPTION.

THE BOOK FURTHER INVADES SEVERAL POLITICAL AND RELIGIOUS TERRITORIES IN DEMONSTRATING “HOW TO ASSESS AND DO THE RIGHT THING” AS A WAY OF LIFE, THEREBY AS CITIZENS HELPING TO CREATE AN UPWARD AS OPPOSED TO A DOWNWARD SPIRALING SOCIETY.

IN ADDITION TO ASSESSING AND MAKING DIRECT RECOMMENDATIONS TO THE POPE, AS WELL AS POLITICIANS DIRECT RECOMMENDATIONS ARE MADE SUCH AS THE DOING AWAY WITH LICENSING BOARDS IN THE FIELDS OF PSYCHOANALYSIS, CLINICAL PSYCHOLOGY, PSYCHOTHERAPY, MARITAL AND FAMILY THERAPY AND CLINICAL SOCIAL WORK SO AS NOT TO PROVIDE:

THE GENERAL PUBLIC A FALSE SENSE OF SECURITY WHILE ACTUALLY DESTROYING CLINICIANS’ ABILITY TO DO THE WORK THAT CAN ONLY COME WITH THE EVER GROWING THERAPEUTIC USE OF SELF -OR AS SHAKESPEARE PUT IT, “TO BE OR NOT TO BE!”

PRESS RELEASE FOR “THE DENIAL OF REVERSE RACISM IN AMERICA”

This book is intended to help Black people – particularly those in administrative positions at the top for treating White people at the bottom of the totem pole while doing in the best and brightest of their own Black children and FALSELY BLAMING IT ON WHITES so as to provide a psychotic protection game of Blacks that both do in their own youth and never roll over on any Black brother or sister that reminds them of 200 years of slavery while at the same time PRETENDING TO BE FAIR BY USING “GUILT” AS A MANIPULATION TO JUSTIFY KEEPING WHITE BOY AT THE BOTTOM OF THE TOTEM POLE! The solution is simple but not easy! “Black Boy has to stop blaming and laying guilt trips on Modern White Boy for his forefathers’ sins! This needs IMMEDIATE CORRECTION IF WHITE BOY IS NOT TO BUILD SUCH PRIMITIVE SUBCONSCIOUS RESENTMENT THAT YOU GET ONE NEWSLINE AFTER THE OTHER THAT “WHITE BOY” COP SHOTS BLACK TWELVE YEAR OLD KID IN THE BACK. ***WITHOUT THIS BOOK ALL THE PEACEFUL PROTESTS AND CRIMINALLY INFECTED RACE RIOTS AND LOOTING WILL MAKE NON-SIGNIFICANT DIFFERENCES!

This book provides an interim step for both Blacks and Whites to examine their own underlying racial thoughts and feelings in a manner that brings the subconscious and the unconscious more to the surface in a way that helps the reader find ongoing solutions to deal with the primitive remnants of crimes committed through two hundred years of slavery! For example, I was getting done in by a waiter in Koln, Germany of Italian descent in 1990 in an Italian restaurant and the owner said the waiter (30 years old) hated Americans because General Patton killed all his living relatives when coming through Italy in 1944! The fact these were family members who he never met personally made no difference at all. To this waiter THE PAST IS THE PRESENT IS THE FUTURE AND THEY ARE ALL NOW!

I have reason to believe that the sum total of characteristics that make up my personality and the variety of occupations, athletics and musical endeavors in which I have engaged provide me with some unique primitive viewpoints regarding racial relations between Blacks and Whites that are and will be worthy of consideration in RACE RELATIONS FOR CENTURIES TO COME.

What makes these comments valuable is the candor with which I report them at the deepest primitive levels, no matter whom they offend, including myself, my parents, my neighbors and in particular not only the Northeast section of the United States but also the West Coast, primarily Los Angeles.

IN OTHER WORDS, IF YOU ARE BORN IN THE UNITED STATES, YOU ARE A RACIST AND IF YOU SAY YOU ARE NOT, YOU ARE A RACIST AND DO NOT KNOW YOU ARE A RACIST! Just as I studied macro-economics in college as opposed to micro-economics, IF ONE EXAMINES THE MINUTIA OF OUR EXPERIENCES IN THE ORDER IN WHICH THEY OCCURRED, WE ARE ALL RACISTS IN AMERICA, TO SOME DEGREE OR OTHER AND WOULD BE BETTER OFF PLANNING OUR COURSE OF ACTION BASED ON WHAT ACTUALLY EXISTS AS OPPOSED TO THE NONSENSE WE CLAIM EXISTS. THAT IS WHY WHEN I HEAR A POLITICIAN SAY THEY ARE NOT A RACIST I TURN THE CHANNEL IMMEDIATELY!

I had the good fortune to speak with Carl Erskine who pitched the most dominant game I ever saw pitched when he struck out 14 New York Yankees (including Mickey Mantle 4 times 1953 World Series) and Carl Erskine was most proud of having been Jackie Robinson's teammate when Jackie broke the color barrier. That is "good faith" no matter how you were born or raised!

DECLARATION OF DR. LEN BERGANTINO

I, DR. LEN BERGANTINO, DECLARE:

Bill Russell personally gave me permission to take his picture with my developmentally delayed son Alex Bergantino around the year 2003 when he was making an appearance supporting an orthopaedic pain relief Medical doctor whereby Bill Russell discussed the wear and tear from running up and down hardwood floors on the joints of his body. This meeting and this picture were taken at the Sports Club Los Angeles at 7p.m. in the evening on Westwood Blvd. just south of Santa Monica Blvd.

I declare under penalty of perjury that the foregoing is true and correct and I would and could testify as such in a court of law if called upon to do so.

The Denial of Reverse Racism in America

Do you think that some slug who looks very professional who "whispers" an occasional interpretation to you five times a week for 7 years can make one bit of difference in your life or does such a psychotoxic slug called a psychoanalyst merely stick you in an emotional toilet bowl for seven years having the cumulative result of turning you into a hopeless bastard who will never turn the tragic corner in his or her life?

Can your analyst analyze an ARCHAIC LIQUID SYMBIOTIC OR AN OSMOTIC TRANSFERENCE, or can they even recognize this phenomena in order to analyze it? If the psychoanalyst cannot analyze these transferences they can't do an analysis!

I used to get "good faith" patients who had the balls to work on the cutting edge at the same time I did because they had had combinations of twenty years of two seven year analyses plus several briefer psychotheraphies, only to be as crazy as the day they walked in! (-\$200,000.00)

As Dr. Donald Rinsley, M.D., fellow-American College of Psychoanalysts wrote about me, my work has both a healing effect and affect. Patients used to pay me six months in advance to hold the time open because I was

irreplaceable; I was the only one who could analyze the psychotic core of the personality and I was the only who could actually do what Dr. Wilfred R. Bion, MRCS (Medical Royal College of Surgeons) wrote about analyzing the psychotic core of the personality/

As I am seventy-six years old, I have written five books that must be read and digested in their entirety. As these books are the thing-in-itself they will transform the reader into the kinds of analyst, patient and psychotherapist who can make a difference in helping people turn the tragic corner in their lives! In other words, these five books are analysis!

These books were written to be around for a few hundred years and were directly guided by the Almighty!

The Greatest Basketball Player I Ever Saw

PRESS RELEASE FOR "THE GREATEST BASKETBALL PLAYER I EVER SAW"

To notice greatness and not deny greatness in others you have to notice details that ordinary people often claim do not exist. As ordinary people would much rather blame the victim rather than do their own personal work of self-development. They often deny greatness in others to protect themselves from looking at their own shortcomings often through "hatred and deceptive manipulation (malevolent omnipotence!) Such was the case with Billy Finn, who were he not surrounded by assholes would have averaged fifty two points a game instead of merely holding the state record of fifty two points in one game!

Greatness Kobe Bryant, Elgin Baylor, Larry Bird, Magic Johnson, Bill Russell, LeBron James are all great and have an element of greatness that I have never seen surpassed in my 77 years. Kobe Bryant and LeBron James came into the national basketball association or NBA as it is called right out of high school.

***When Billy Finn played there was no such option! Bob Cousy, famed guard told him he had nothing to teach him in the seventh grade!

*** "BILLY FINN WAS TO BASKETBALL WHAT WILLIE MAYS WAS TO BASEBALL - THE MOST EXCITING BALLPLAYER THAT EVER LIVED DESPITE GREATNESS IN OTHERS." For example, Ted Williams was the greatest hitter I ever saw. I saw him take batting practice. He hit consecutive line drives so hard they nearly bounced back to 2nd base. This book lays out the details of what made Billy Finn the greatest basketball player who ever lived!

DECLARATION OF DR. LEN BERGANTINO

I, DR. LEN BERGANTINO, DECLARE:

The picture of Billy Finn used in this book was given to me in 1961 by Billy Finn, himself.

The foregoing is true and correct and I would and could testify as such in a court of law if called upon to do so.

This declaration was written in Los Angeles, California on March 5, 2020.

"When thinking of all the therapist I have ever trained or seen (including Fritz Perls, M.D., Ph.D.) Bergantino! Him I think about! Him I consider! He is a man of depth! He is a man of substance!"

Dr. Donald Kinsley, M.D., (particularly helpful for The Art of Psychotherapy and the Liberation of the Therapist) wrote, "A unique feature of Dr. Bergantino's presentation -offering FASCINATING AND INSTRUCTIVE INSIGHTS INTO THE THERAPEUTIC LABORS OF ADMITTEDLY GIFTED TREATERS."

Dr. Carl Whitaker, M.D. wrote "The approach to his own craziness, the freedom from the culture bind, and the discipline of self each emerged as obtainable goals of that professional parent we call the psychotherapist."

Psychiatrist Harry Blicharski wrote "I am happy to recommend Len Bergantino as an excellent workshop leader, trainer and psychotherapist...We will be inviting Len Bergantino to return to AUSTRALIA AND I RECOMMEND HIS WORK, BOTH CLINICAL AND TEACHING, IN ANY SITUATION."

Betty Erickson, wife of Milton Erickson, M.D. dictated, "The mutual respect that Dr. Erickson and Dr. Bergantino held for each other was reflected in the friendship that continued until Dr. Erickson's death..., and has continued with Dr. Erickson's widow, Elizabeth Erickson, now 92 years old."

Yaro Starak, Gestalt Therapy trainer and Director of International Gestalt Therapy Training Institute in Brisbane, Australia said of Dr. Bergantino and the workshops he gave in Australia, "Dr. Bergantino has a mental precision that electrified the Australian therapeutic community and had lasting therapeutic impact."

Clinical Psychologist whose name I cannot locate; "DR. BERGANTINO IS THE MOST GIFTED CLINICIAN OF HIS TIME!"

Dr. Wilfred R. Bion, MRCS (Medical Royal College of Surgeons,) the great British psychoanalyst wrote to Dr. Bergantino, "Your work is evocative and stimulating."

Dr. Milton H. Erickson, M.D. -the Father of Modern Medical Hypnosis told Dr. Bergantino "I am just an old man who tells stories. It's your unconscious mind that has the pinpoint accuracy." "I respect your dedication to the work." And so Reverse Analysis was born along with a working knowledge of The Existential Shift.

Dr. Donald Kinsley, M.D., Fellow of The American College of Psychoanalysts wrote of Dr. Bergantino and his work "There is no doubt that some people possess a healing capacity and that others do not"; "I knew at once of your outsiderism...as well as your talent."

Dr. Carl Whitaker, M.D. - the foremost family therapist at the international level wrote of Dr. Bergantino, and his work, "He is a professional reporter of international change models in the family, therapy set and even intrapsychic change process." Reading his work "is an active experience in the use of self in the field of psychotherapy, and as such, it both expands and enriches the community standards of practice of professional psychotherapists."

Dr. James Grotstein, M.D., Training and Supervising Analyst wrote of me, "I finally had the pleasure of viewing your tape. I found it very impressive. It helped me to understand better where you are coming from and to be able to observe first hand your intuitive way of approaching people. Your technique reminded me of an elegant sophistication of Gestalt along with Erickson and Bion."

Dr. Martin Grotjahn, M.D., Training and Supervising Analyst wrote "Dr. Bergantino is obviously a gifted therapist..Most cases as reported in the literature describe the patient's associations and productions while the therapist remains hidden in the mystery of darkness unrevealed. Dr. B is an exception: the great advantage of his work is the openness and frankness with which the author reveals his experiences when treating patients or when accepting himself as a patient of another therapist."

Dr. James S. Simkin, Ph.D., -Diplomate-American Board of Professional Psychology said of Dr. Bergantino.

DO YOU THINK THAT SOME SLUG WHO LOOKS VERY PROFESSIONAL WHO “WHISPERS” AN OCCASIONAL INTERPRETATION TO YOU FIVE TIMES A WEEK FOR 7 YEARS CAN MAKE ONE BIT OF DIFFERENCE IN YOUR LIFE OR DOES SUCH A PSYCHOTOXIC SLUG CALLED A PSYCHOANALYST MERELY STICK YOU IN AN EMOTIONAL TOILET BOWL FOR SEVEN YEARS HAVING THE CUMULATIVE RESULT OF TURNING YOU INTO A HOPELESS BASTARD WHO WILL NEVER TURN THE TRAGIC CORNER IN HIS OR HER LIFE?

CAN YOUR ANALYST ANALYZE AN ARCHAIC LIQUID SYMBIOTIC OR AN OSMOTIC TRANSFERENCE, OR CAN THEY EVEN RECOGNIZE THIS PHENOMENA IN ORDER TO ANALYZE IT?! IF THE PSYCHOANALYST CANNOT ANALYZE THESE TRANSFERENCES THEY CAN'T DO AN ANALYSIS!!!

I USED TO GET “GOOD FAITH” PATIENTS WHO HAD THE BALLS TO WORK ON THE CUTTING EDGE AT THE SAME TIME I DID BECAUSE THEY HAD HAD COMBINATIONS OF TWENTY YEARS OF TWO SEVEN YEAR ANALYSES PLUS SEVERAL BRIEFER PSYCHOTHERAPIES, ONLY TO BE AS CRAZY AS THE DAY THEY WALKED IN!!! (-\$200,000.00)

AS DR. DONALD RINSLEY, M.D., FELLOW-AMERICAN COLLEGE OF PSYCHOANALYSTS WROTE ABOUT ME, MY WORK HAS BOTH A HEALING EFFECT AND AFFECT. PATIENTS USED TO PAY ME SIX MONTHS IN ADVANCE TO HOLD THE TIME OPEN BECAUSE I WAS IRREPLACEABLE: I WAS THE ONLY ONE WHO COULD ANALYZE THE PSYCHOTIC CORE OF THE PERSONALITY AND I WAS THE ONLY ONE WHO COULD ACTUALLY DO WHAT DR. WILFRED R. BION, MRCS (MEDICAL ROYAL COLLEGE OF SURGEONS) WROTE ABOUT ANALYZING THE PSYCHOTIC CORE OF THE PERSONALITY.

AS I AM SEVENTY SIX YEARS OLD, I HAVE WRITTEN FIVE BOOKS THAT MUST BE READ AND DIGESTED IN THEIR ENTIRETY. AS THESE BOOKS ARE THE THING-IN-ITSELF THEY WILL TRANSFORM THE READER INTO THE KINDS OF ANALYST, PATIENT AND PSYCHOTHERAPIST WHO CAN MAKE A DIFFERENCE IN HELPING PEOPLE TURN THE TRAGIC CORNER IN THEIR LIVES! IN OTHER WORDS, THESE FIVE BOOKS ARE ANALYSIS!

THESE BOOKS WERE WRITTEN TO BE AROUND FOR A FEW HUNDRED YEARS AND WERE DIRECTLY GUIDED BY THE ALMIGHTY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

THE QUALITY OF BEING: PSYCHOANALYSIS - STATE OF THE ART

A REVOLUTIONARY

Approach by Len Bergantino, Ed.D., Ph.D

"The Discipline of Being" IN THE PRACTICE OF PSYCHOANALYSIS

Beta Elements: An Expansion of the conceptual work of Wilfred R. Bion, M.R.C.S. into Psychoanalytic Technique.

288 pages. Author: Bergantino, L.
- For Physicians who want their patients to get better psychologically and for Training Analysts and
Psychiatrists who want to learn to succeed at doing these jobs in paragraph 1.

This kind of work permits psychoanalysts to develop techniques to do jobs that have either never or rarely been done:

1. Form a solid nuclear self in a patient who never had one - a job Kohut wrote couldn't be done.
2. Work successfully with the kind of archaic liquid symbiotic transferences that Searles wrote about treating with limited success over 13 and 18 year cases;
3. Detect and work with underlying psychotic thinking disorders - such as Bion wrote about even in narcissistic, borderline and neurotic patients;
4. Detoxify psychotoxic states of being (Kernberg's work stops here) and return patients to natural states of being where affect is connected and life force and the fight for that life force is sustained;
5. Help psychoanalysts' quality of being (Becoming 'O'-Bion) become enhanced so they may be curative of primitive mental states at deep emotional levels, even in patients thought not to be in treatment for that problem. Otherwise, patients will respond to the primitive mental states of the analyst even though the analyst does not act out. The end result would be an analysis whereby the analyst's blocked quality of being would leave patients in prematurely stuck places with self and a significant other whereby that patient's life would remain tragic even after a long analysis.

• Beta elements that Bion wrote about from a conceptual frame of reference actually exist. The question then becomes how can one do an analysis if they do not perceive with their senses these beta elements because they would not know what needed to be contained, therefore the underlying psychotic thinking disorder aspects of patients personalities, even those thought to be neurotic, narcissistic or borderline, could not be dealt with authentically beyond the point with which a psychoanalysis could 'detect', 'detoxify' and 'interpret' these beta elements.

• Donald Rinsley, M.D., Fellow, American College of Psychoanalysts, in a review of Dr. Bergantino's book, Psychotherapy, Insight and Style: The Existential Moment, Jason Aronson Publishers, 1986, made reference to Dr. Bergantino and his work in the following way: "There is no doubt that some people possess a healing capacity and that others do not. Nor is there any doubt that a Zulu witch doctor, a Puerto Rican curendero, a Navaho Medicine man, or a voodoo spiritist may remit symptoms more effectively than the best trained psychotherapist or psychoanalyst." November 21, 2019

Dear Psychoanalyst,

Request (purchase)
I want you to be on the lookout for a book recently sent by my publisher entitled I AM FREUD! PSYCHOANALYSIS IS THE ONLY METHOD OF CURE! IT'S TOO BAD NO ONE KNOWS HOW TO DO ONE!!!

THIS BOOK AND OTHERS I HAVE WRITTEN WILL HELP PSYCHOANALYSTS BECOME "HIGHER SENSITIVES" (as written about in a book in 1967 by Shaffica Karagulla, DeVorse Press). This will make all the difference in successfully working through transferences.

My first book, PSYCHOTHERAPY, INSIGHT AND STYLE: THE EXISTENTIAL MOMENT, 1981 Allyn & Bacon, 1994 retitled MAKING AN IMPACT IN THERAPY: HOW MASTER CLINICIANS INTERVIEWE, Jason Aronson, Inc. is an important preface in that the psychoanalytic chapter actually has interviews with the best of Wilfred Bion's Analysands-Supervising and Training Analysts - M.D.'s as well as the order in which Bion's books must be read to develop the level of attention required for psychoanalysis to, in "good faith" continue to grow as a profession! Analysts thought Bion's work was brilliant conceptually and theoretically but not relevant to the practice of psychoanalysis. This IS NOT TRUE AND I AM FREUD, THE BOOK IT TOOK ME FORTY YEARS TO WRITE, DEMONSTRATES MANY OF HIS UNIQUE TECHNICAL APPROACHES TIED TO THE QUALITY OF BEING OF THE PSYCHOANALYST.

FURTHER, BION SAID "THE ENTIRE PSYCHOANALYTIC LIBRARY IS GOOD for about the first hour and one half of an analysis! After that YOU HAVE TO KNOW WHAT TO SAY TO THE PATIENT!" Martin Grotjahn, MD told me "Psychoanalysis is a great method of education, but it is ineffective as a method of treatment!"

My also new book "The Art of Psychotherapy And The Liberation of The Therapist" remedies both the concerns of Bion and Grotjahn! As I was trained by 17 or more world renown psychiatrists, psychoanalysts and clinical psychologists THIS UPDATED VERSION OF FORTY YEARS OF THE EXISTENTIAL MOMENT PROVIDES BOTH OPTIONS OF WHAT YOU SAY TO A PATIENT THAT MUST BE INCORPORATED INTO PSYCHOANALYTIC EDUCATION IN WAYS THAT PROVIDE EFFECTIVE TREATMENT! LOOK AT IT THIS WAY! FOR \$300,000 OVER A 7 YEAR PERIOD OF FIVE DAY A WEEK ANALYSIS THE PATIENT HAS A RIGHT TO COME OUT OF THE ANALYSIS NOT AS CRAZY AS THE DAY THEY WENT IN!

Sincerely,

Dr. Len Bergantino
P.S. I AM THE ONLY ONE WHO COULD ACTUALLY DO ALL OF WHAT WILFRED BION WROTE!

It is strongly recommended that the readers develop their level of attention to read all ten books and permit them to become part parcel of how each individual answers the question "TO BE OR NOT TO BE". As The Reverend Dr. Len Bergantino is seventy five years old, he will not be around personally to do psychoanalysis or psychotherapy with you, therefore these books were written on the basis of them being around for at least TWO HUNDRED YEARS!!!

Justice is the balancing of Karmic law-natural law-civil law

DR. LEN BERGANTINO, ED.D., PH.D.

This is a book for all time. As I had extrasensory perception to help me find out things on a primitive level and depth with an ability to pick up split-off, severe pathological projective identifications moment to moment in an era when psychologists were only permitted to be research psychoanalysts by the American Psychoanalytic Association (but tightly controlled where that research was going that in many ways nullified it as true psychoanalytic research), I present to you a book that might at that time have been considered wild psychoanalysis. And I will show you how extrasensory perception can be developed and utilized by the therapeutic use of self within the psychoanalytic frame in ways that can enhance the treatment of borderline, narcissistic, obsessive-compulsive, and schizophrenic disorders and other diagnoses, as well as help pinpoint psychophysiological awareness, which through the repetition compulsion, can prevent disease and will circumvent disease in later life. This kind of psychoanalysis will go a long way in preventing the next holocaust!

Dr. Bergantino and his two children were sent back on a karmic mission to complete the work. Dr. Bergantino is the reincarnated soul of Sigmund Freud and Julius Caesar. Those skill sets were required to complete this project. His children are Wilfred Bion and Milton Erickson. They taught Dr. Bergantino how to use paranormal abilities. We are all off the karmic wheel and WE WIL NOT BE BACK!!! GOODBYE!!!

Dear Len:

How nice to receive yours of June 24th, and to learn of your upward spiral! I'm very pleased indeed to believe that my little review of your book has contributed to your success!

Frankly, Len, I have long been eructatively fed up with the sort of territorial cupidities and other evidences of narcissistic nonsensicality so many of the colleagues display. Such antics reveal the essentially limbic nature of people as it comes to be expressed in envies and jealousies to which you allude in your letter. When I read your book I knew at once of your outsider-ism (cf. Colin Wilson's seminal book of the same name—The Outsider) as well as your talent; since I know I am good also, I do not need to do the Big-Daddy-in-Cat-On-A-Hot-Tin-Roof bit, viz., to shit on one's sons out of envy and fear that they will appropriate my penis-cum-wife-cum-everything-else!

I trust your family are in good health. Keep in touch.

Most sincerely,

There is no doubt that some people possess a healing capacity and that others do not; nor is there any doubt that a Zulu witch doctor, a Puerto Rican curandero, a Navaho medicine man or a voodoo spiritist may remit symptoms more effectively than the best trained psychotherapist or psychoanalyst. The differences between healing and therapy are not inconspicuous even as both may readily dissolve into quackery in the hands of the exploitive and the unscrupulous. A wise Freud once commented that the function of psychoanalysis is to convert neurotic misery into ordinary human suffering, a point of view to be dismissed only at one's peril even though it doubtless reflected the essence of Freud's depressive personality. From such few considerations as these emerge questions concerning the differences separating healing and therapy, the features that unite them and the goals and objectives they may be noted to share. And whatever answers to these questions may satisfy those who propound them will reflect whether one's Weltanschauung considers the world to be a vale of tears or, after the fashion of the Gallic optimist, Coué, a place where everything keeps getting better and better.

Press Release

I DARED TO DISTURB THE UNIVERSE!!!

Dr. Len Bergantino Ed. D., Ph.D., releases 'I AM Freud! Psychoanalysis Is the Only Method of Cure: It's Too Bad No One Knows How to Do One!!!'

BEVERLY HILLS, Calif. – Dr. Len Bergantino, Ed.D., Ph.D., is the reincarnated soul of Sigmund Freud and Julius Caesar and his children Lisa Francesca is the reincarnated soul of the great British psychoanalyst Wilfred R. Bion and Cleopatra while his developmentally delayed son Alexander Leonardo is the reincarnated soul of Milton H. Erickson, M.D. (known as the father of Modern Medical Hypnosis and for Uncommon Therapy) and Decimus Brutus. All of those skill sets were necessary in the writing of "I Am Freud! Psychoanalysis Is the Only Method of Cure: It's Too Bad No One Knows How to Do One!!!" (published by Xlibris) and the issues it is meant to deal with at both conscious and unconscious levels.

Further, Bergantino in 1980, made a direct contact with God to have Bion and Erickson sent back as the reincarnated souls of his children to teach him what to do with the paranormal gifts that were given to him and unleashed by Erickson. Through this development, he, with God's tutelage became the best psychoanalyst that ever lived and began to implement Freud's plan that both psychoanalysis and subsequently developed psychotherapies would create the kind of patients who would and could then go out and create an upward spiraling society.

Wilhelm Reich, M.D. – Freud's most gifted training analyst said "If you can't do politics, you can't do analysis!" The book shows how to develop extrasensory perception so that analysts and therapists have an opportunity to develop the tools necessary to do the jobs at hand if they are so inclined. In this way, people will not pay for a five day a week, seven year analysis and come out as crazy as the day they began with few if any tools to carry on the work.

“When I did an analysis with the crème de la crème of society, they customarily tripled their income and the quality of their life! (Don’t waste \$50,000 per year or \$350,000 per analysis).”

The book is not based on anything Bergantino may or may not believe. It is based on his attaining a level of “pure being” that Jean Paul Sartre wrote about as the thing-in-itself. And it is at that level that this book was written as the thing-in-itself to effect change in the reader.

About the Author

Dr. Len Bergantino, Ed.D., Ph.D. practiced psychoanalysis in Beverly Hills, California from 1979-1991. He saw seven patients five days a week for between five and seven years totaling 49 hours a week and saw an occasional family therapy or clinical hypnosis case totaling 52 hours a week at \$125 per hour; \$625 per week; \$240,000 per year. In addition, he trained psychiatrists and clinical psychologists at the international level delivering on his workshop promise “The Therapeutic Wizardry of Dr. Len Bergantino” at Wentworth Castle in Sheffield, England and training the British at the Royal College of Medicine in London in “Developing the Use of Extrasensory

Perception in the Practice of Psychoanalysis, Psychotherapy and Clinical Hypnosis.” In Brisbane, Australia, his work was described as “a kind of mental precision that electrified the Australian Therapeutic Community and had lasting therapeutic impact.” Furthermore, he was an affiliate of the Italian American Lawyers Association for seven years. He became an expert witness in both severe parental Alienation Syndrome in criminal cases. He was the only clinician to plea bargain a man for release who was on death row. He was President of the Southern California Society of Clinical Hypnosis when they were composed of exclusively MD’s, PHD’s and DDS’. The year he was president he turned it into a psychoanalytic institute.

Reverse Analysis, the Existential Shift, Gestalt Family Therapy and the Prevention of the Next Holocaust

The purpose of this book is to tell stories that both entertain and bring value to people’s lives. The order of the stories told will have no rhyme or reason other than they went through my unconscious mind when I sat down at the typewriter along with the notion they may have value and reach the unconscious minds of the readers in a way that has a better than average chance of entertaining the reader. As I am seventy-five years old when beginning this book, I have worn many hats during my lifetime, and the stories run the gamut.

This book focuses on the lifelong effects that Milton H. Erickson, M.D, Carl Whitaker, M.D., and James Simkin, PhD. had upon me. It gives the reader a firsthand experience at a ONE THERAPY SESSION EXISTENTIAL SHIFT OF A LIFELONG PERSONALITY CHARACTERISTIC, AS WELL AS THE BOOK ITSELF EVOKING A ONE SESSION EXISTENTIAL SHIFT OF THE COLLECTIVE UNCONSCIOUS MINDS OF SOCIETY AS A WHOLE IN EFFECTING AND AFFECTING "THE PREVENTION OF THE NEXT HOLOCAUST." FURTHER, IN TERMS OF FAMILY THERAPY IT BOTH DEMONSTRATES HOW TO MAKE DEEP PRIMITIVE AND SUBSTANTIVE CONTACT WITH FAMILY MEMBERS HELPFUL IN SUSTAINING A DEEP PRIMITIVE AND SUBSTANTIVE RELATIONSHIP WITH FAMILY MEMBERS. Dr. James S. Simkin also had the effect of helping me develop crystal ball capacities in that I know where things are going in society and in therapy in a matter of minutes!. Dr. Simkin was a Diplomate in Clinical Psychology of The American Board of Professional Psychology.

And then there was DR. WALTER KAMPLER M.D. - A FIRE BREATHING DRAGON THAT LOOKED LIKE ZEUS!!!

Dr. Len Bergantino, Ed.D., Ph.D., addresses societal issues in new book

'Reverse Analysis, the Existential Shift, Gestalt Family Therapy and the Prevention of the Next Holocaust' released

LOS ANGELES – Through the Holy Spirit, his direct contact with God and his karmic mission, Dr. Len Bergantino, Ed.D., Ph.D., addresses the problem of the today's downward spiraling society in his latest book "Reverse Analysis, the Existential Shift, Gestalt Family Therapy and the Prevention of the Next Holocaust" ([published by Xlibris](#)).

This book creates a subliminal methodology that will help to prevent the next holocaust and perhaps deter the apocalypse and the end of days. As such, the book expands and enriches the community standards of practice of Psychoanalysis, psychiatry, clinical psychology, politics, political intervention and a realliance of religion with the state, as opposed to a separation of church and state that has left its people a soulless and emotionally bankrupt nation with a downward spiraling society. This book throws the United States government and its citizens into an international pot of family therapy as evoked at the unconscious and primitive levels required to effect and affect societal change, to evoke a redirection to an upward spiraling society providing the kind of leadership for Americans to create well-being and prosperity for all.

"[The book] is the common man's best shot to turn the tragic corner in his or her life: make dysfunctional families functional; save one's soul; become thoughtful members of society who do the right thing more often than not," Bergantino says. "This book also trains therapists how to do one session existential shifts thereby creating therapies for the common man that are more affordable than a seven year psychoanalysis where the patient is seen five days a week. In other words, it makes the currently impossible possible!"

At its core, the book aims to remind readers to "Open up the space and keep it open so Man will not destroy himself via the illusion of safety and will learn to experientially tolerate the anxiety and chaos of not knowing."

The Art of Psychotherapy And the Liberation of the Therapist

✓ *Much has been written about the Science of Psychotherapy, but it has remained for Dr. Bergantino to write about the Art of Psychotherapy with such elegant impact.*

Dr. Len Bergantino, Ed.D., Ph.D.

This is a book for professional psychotherapists, psychoanalysts, and counselors; students in those areas of specialty; and lay persons who are interested in the essence of effective therapy and how some of the people who do it best practice their art. For professionals, the book presents a personal way of viewing therapy that can add pleasurable options. Each of the therapists with whom I worked, and myself, all had a feeling of enjoyment that we hope will carry over to the office and practices of the readers. For students of therapy, the book offers a search for a professional stature and working posture that may be of value in the development of each student's unique personal style. For lay persons, the book speaks of therapy that can make an impact and speaks of how some of the most potent therapists practice. For Psychoanalysts interested in the work of the Great British Psychoanalyst, Dr. Wilfred R. Bion MRCS (Medical Royal College of Surgeons), This is the only book that demonstrates exactly what he did.

I wrote the book with the intention of having it be both an experience and an explanation. I have presented it according to my developmental needs while maturing personally and professionally. This was done so the book might be informative at the conscious level, entertaining at the child level, and persuasive at the unconscious level.

The existential moment is the thread that ties the book together; it is a moment of therapeutic potency. While all moments are existential by definition, there are certain moments that are more powerful in helping patients live happier and healthier lives. Positive results, whether they be from one session or over the long haul, are partially, if not fully, a result of existential moments.

Dear Carl,

✓ The following is material that you dictated to me over the telephone regarding material that may be used in any advertising capacity that Allyn & Bacon, Inc., chooses to do in the promotion of my book, "Psychotherapy Insight And Style: The Existential Moment."

"The author as a therapist is a student of creativity and he offers a metaphorical elaboration that is both impressionistic, artistic and a stimulus for thinking. He is a professional reporter of interpersonal change models in the family therapy set and even intrapsychic change process in its twentieth century face. The book rouses powerful feelings and stimulates growth in its readers."

"Reading this book is an active experience in the use of self in the field of psychotherapy, and as such, it both expands and enriches the community standards of practice of professional psychotherapists. That self is really our only tool. Its use is critical and evolving through each practitioner's professional lifetime."

Please sign below acknowledging your permission to quote.

Sincerely,

Carl Whitaker, M.D.

Len Bergantino, Ed.D., Ph.D.

P.S. Please return one copy to me, keep one for your records and send one to Allyn & Bacon, Inc. Thank you.

POLITICAL ANALYST

In all areas, he is both knowledgeable and feels national, state, and local governments are stuck in socially immobile positions. He created ways to invade entire cultures and governments to move those stuck in quicksand off the dime and into a society that spirals upward. He refers to the creation of these methods as sanctimonious psychoproctological invasions in the creation of a political psychology that should be studied by all human beings who want to make a difference and give meaning to their lives.

When the Reverend Dr. Len Bergantino grew up, the first thing he had in mind was to wear number 22 and take over for Allie Reynolds, the Super Chief, as the Mainstay of the Mound Staff of the NEW YORK YANKEES!!! The New York Yankees won 5-world series in a row. (1949-1953) !!!

When Baseball was King The New York Yankees were King of Baseball

*Dr. Len Bergantino's most intense love affair with baseball was between the years 1951 – 1961. Then he went to college and his attentions went elsewhere. Yet, he returned to baseball by reading baseball books on overseas flights and noticed that every time he read about baseball, it brought peace and tranquility to his life. This prompted him to pen **When Baseball was King The New York Yankees were King of Baseball.***

“WHEN BASEBALL WAS KING THE NEW YORK YANKEES WERE KING OF BASEBALL”

Perhaps Allie Reynolds best summed it up when the New York Yankees bought him from the Cleveland Indians and he was asked “What is the difference pitching for Cleveland as opposed to The New York Yankees?” He said, “I am a Cherokee Indian from Oklahoma. In Cleveland they call me copperhead and old blanket ass! In New York they call me The Super Chief!

That’s the difference” The New York Yankees won five world series in a row! (1949-1953)

This book contains the folklore of baseball in an era that not only achieved EXCELLENCE but produced a quality of athlete that became part of your family at the dinner table!

It is an era the spirit of place of which should be remembered; even those who played against the Yankees and provided a good deal of torture to Yankee fans! For example, one of the highlights for me in writing this book was in getting to know and talk with Carl Erskine, the Brooklyn Dodger who in the third game of the 1953 world series pitched the most dominant game I ever saw pitched against what many consider to be the best baseball team in the history of baseball. He struck out 14 Yankees, and Mickey Mantle four times on that day!

The Essence of Music

Music is the international language, but what is music?!!!

For The Bergantino-Bredice Family Music was the FAMILY BUSINESS!
My father, Dan Bergantino, always told me, (in terms of what kind of music you listen to) "IF YOU PUT SHIT IN, SHIT WILL COME OUT! (WHEN YOU PLAY MUSIC)

My cousin Louis Bredice told me, "When I first started playing Jazz, I played a lot of notes! Then I realized, all I needed were the right ones!"

My cousin Freddie Bredice had the fastest technique on guitar I had ever seen! The first time I met him was on a gig in 1967. His speed was blinding, faster than a speeding bullet! I was leaning against a wooden beam next to him and when he finished I said, "You must be cousin Fred!" He said, "Yeah, I don't play chords! It fucks up your hands!" Freddie was one of Joe Diorio's guitar teachers and Joe said he still has nightmares about Freddie's speed! Joe was known as the best jazz guitar player in the world among guitar players. I got him to play songs again in a cd entitled "FALLING IN LOVE" where I am playing mandolin and Joe is accompanying me on guitar. This cd can be purchased from orchardrecords.com and amazon.com.

This is a multi-purpose book in that much as a previously published book entitled "ZEN AND THE ART OF MOTORCYCLE MAINTENANCE" had more to do with human growth than motorcycle maintenance; this book is a natural model of how musicians as human beings deal with each other thereby providing a baseline for humans in answering Shakespeare's question, "TO BE OR NOT TO BE!" FURTHER, THIS BOOK IS SUBSTANTIVE AND DEPTHFUL ENOUGH TO BE USED IN MUSIC SCHOOLS, NO MATTER WHAT MUSIC GENRE, IN THAT IT FOCUSES ON MUSICALITY, PURE SOUND, THE ART OF MELODY AND PEACE AND IT CAN BE UTILIZED IN THE PSYCHOTHERAPEUTIC ARTS AND ITS CONTENTS ARE HEALING IN NATURE!

Dr. Len Bergantino, Ed.D., Ph.D., reveals 'The Essence of Music' in his latest book

New book focuses on musicality, pure sound, the art of melody and inner peace to bring out the best in musicians

LOS ANGELES – People say that music is the international language, but what is music? For Dr. Len Bergantino, Ed.D., Ph.D., music is a family business. However, as a professional psychoanalyst and a professional musician, he sees that the essence of music has become long forgotten by most musicians who now make “noise” and call it “music.” Hence, in latest publication titled “The Essence of Music” ([published by Xlibris](#)), the author intends to reverse this process.

Coming from a family of musicians, it is not a surprise that Bergantino was introduced to the world of music at a young age. In an entertaining and evocative style, he offers readers the depths and substance of what he learned from some of the best musicians in the world, as well as psychoanalysis and in direct contact with the Holy Spirit, which found a way to have musicians play music from the inside out so they are not merely playing technical notes.

“The Essence of Music” is a multi-purpose book that serves as a natural model for how musicians, as human beings, deal with each other, thereby providing a baseline for humans in answering Shakespeare’s question, “To be or not to be.” Furthermore, the book is substantive and full of depth, enough to be used in music schools no matter what musical genre since it focuses on musicality, pure sound, the art of melody and inner peace. It can be utilized in the psychotherapeutic arts, and its content is healing in nature.

Bergantino adds that at its core, the publication of “The Essence of Music” intends to invade the unconscious minds of people and musicians in bettering themselves. “I want readers to not only play and appreciate music from the source of his or her inner being but to transmit that source to the way he or she lives life in creating an upward spiraling society.”
